

DESSERT BRAAI PIE

SERVES 6

COOK TIME: 30 MINS

INGREDIENTS

2 Rolls Puff Pastry

1/2 can Caramel

1/2 can Pears - Thinly Sliced

1 handful Pecan Nuts - Crushed

1 egg - (optional)

METHOD

Defrost Dough

Spread the caramel evenly over the pastry.

Place a thin layer of pear slices over the caramel.

Crush and sprinkle Pecan Nuts over the pears.

Cover with the second roll of puff pastry, and seal as if you are making a pie. Tip: Egg wash the dough for that extra golden brown effect.

Place it high up on the fire and turn constantly until golden brown... This is not a steak: rather turn too much than too little
